HUGO BOSS's liability for damages for breach of a material contractual provision will, however, be limited to the usual foreseeable damage except in cases involving its intentional wrongdoing or gross negligence.

Statutory liability which does not require fault on the part of HUGO BOSS – for example, in the case of statutory liability under a guarantee – will remain unaffected by the limitations of liability stated above.

Links / Content of Third Party Sites

To the extent that the HUGO BOSS Sites mirror other Internet sites which are operated by third parties or contain links to such sites, HUGO BOSS assumes no liability for the content of these sites nor does it endorse them or their content.
